I DON'T WANNA DIE ..!!!
...NO
PLEASE SPARE ME...

but I want to check our agreement once again, before you start your surgeries
Hey Asklepios.. You may think of me as a worrier
THAT THE CHURCH HAS PRE-PARED..?
WHY'RE THEY TYING HIM UP THERE..?
TH-
THAT'S THE "FIRST PATIENT"

Until we're convinced, you'll continue to operate on patients that we prepare for you...
And if you fail to save one, you'll return the Vitiles to the Church immediately
Am I right?
...YES
YOU HAVE MY WORD...
That's fine then...
This man is a "heretic", just like you
and we were planning to put him to the stakes today
but we've changed his punishment to an execution by the firing squad...
Hey, get ready
Do it

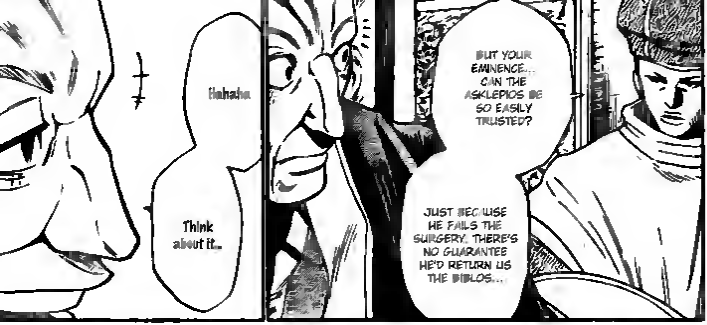
!!!!
When the sand in this hourglass falls completely
our head doctor would check for a pulse in the heretic

If you call yourself an "Asklepios", let's see you bring him back to life
If he's dead, you lose ..
C'mon, you better hurry!!!

#17

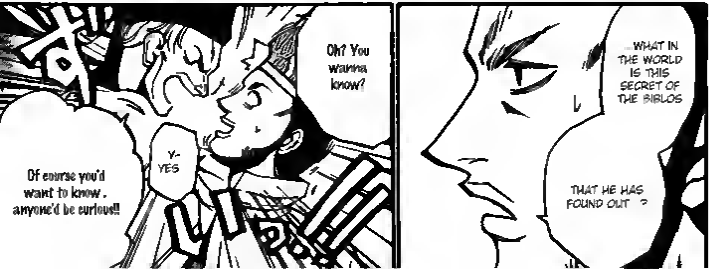
WHEN I'M DONE TREATING HIM
IS THIS MAN GONNA BE EXECUTED AGAIN ..?!
Hmm? Oh
If you revive him, we'll let him go
Go for it young heretic, we'll be cheering you on!!

I'M GLAD TO HEAR THAT...!!!
I FAIL TO SEE THE POINT OF THIS ENTERTAINMENT
...REALLY
THERE ARE NO RECORDS OF A MAN EXECUTED BY ARMS BEING BROUGHT BACK TO LIFE
Haha.. Don't say that Nero
As a doctor that may be your thoughts
but look, the bishops seem really interested
HE'S ONLY GOING TO MESS AROUND WITH THE CORPSE...
WHAT A DISGUSTING DISPLAY



Hahaha
Think about it..
BUT YOUR EMINENCE... CAN THE ASKLEPIOS BE SO EASILY TRUSTED?
JUST BECAUSE HE FAILS THE SURGERY, THERE'S NO GUARANTEE HE'D RETURN US THE BIBLOS...

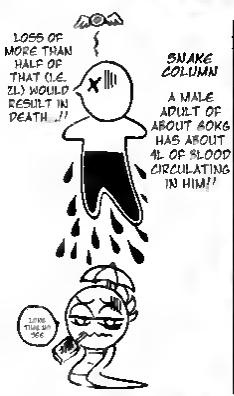
It must be their pride as the doctors they claim to be..
It seems they've been seriously gathering blood signatures, one for each patient they've cured
For half a century
The Pact of Biblos doesn't require much
They only have to take someone's blood like a "ripper" and simply fill the pages in different writings
But those Medills...
He may be a heretic, but he can be trusted in this regard..
It's unlikely that boy would go against his words



Oh? You wanna know?
Y-YES
Of course you'd want to know. anyone'd be curious!!
...WHAT IN THE WORLD IS THIS SECRET OF THE BIBLOS
THAT HE HAS FOUND OUT ?

I...
I'M SORRY...!!!
But you don't need to know
I'm warning you, stay out of this...
.....

THERE WON'T BE ENOUGH BLOOD...
THE BLOOD...
BECAUSE THEY'RE SO MANY WOUNDS, HE'S LOSING BLOOD QUICK
THERE ARE 67 WOUNDS IN TOTAL... NONE OF THE GREAT VESSELS HAVE BEEN DAMAGED BUT
IT'S THIS COLD ON...



MOM
LOSS OF MORE THAN HALF OF THAT (I.E. 2L) WOULD RESULT IN DEATH...!!
SNAKE COLUMN
A MALE ADULT OF ABOUT 60KG HAS ABOUT 4L OF BLOOD CIRCULATING IN HIM!!
LOOK, THERE'S MY SON!

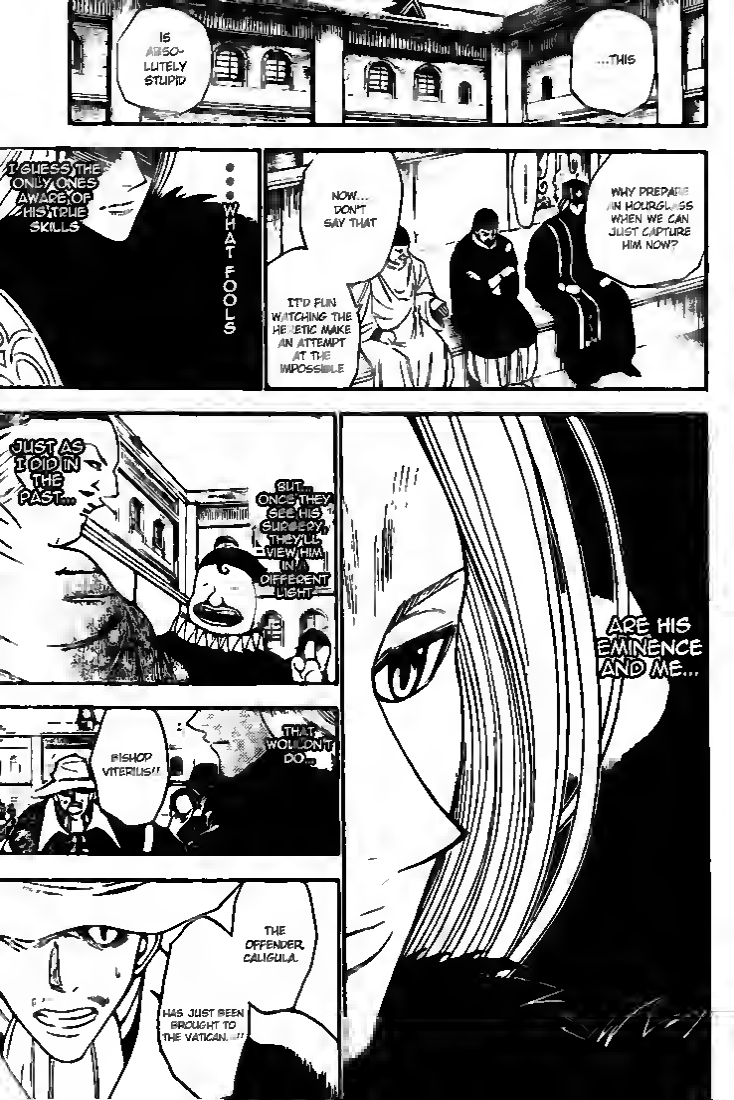
I DON'T HAVE ENOUGH TIME TO BE TREATING HIS WOUNDS ONE BY ONE...!!!

WHAT'RE YOU SAYING, BUZZ...!!

DAD...!!!
PLEASE! TELL ME,

DAD, WHAT SHOULD I DO?
I DON'T KNOW...

YOU DID IT, DIDN'T YOU...?
EVEN BACK WHEN ROSARY GOT SHOT
THE PATIENT'S GONNA DIE IF YOU DON'T HURRY,
YOU JUST HAVE TO HURRY EVEN MORE...
FIN



IS ABSOLUTELY STUPID
...THIS
I GUESS THE ONLY ONES AWARE OF HIS TRUE SKILLS
...WHAT FOOLS
NOW... DON'T SAY THAT
IT'D FUN WATCHING THE HERETIC MAKE AN ATTEMPT AT THE IMPOSSIBLE
WHY PREPARE AN HOURGLASS WHEN WE CAN JUST CAPTURE HIM NOW?
JUST AS I DID IN THE PAST...
BUT ONCE THEY SEE HIS SURGERY, THEY'LL VIEW HIM IN A DIFFERENT LIGHT
BISHOP VITERILLI!!
THAT WOULDN'T DO...
THE OFFENDER, CALIGULA, HAS JUST BEEN BROUGHT TO THE VATICAN...!!
ARE HIS EMINENCE AND ME...

AS SOON AS POSSIBLE...!!
I'LL SEE HIM IMMEDIATELY
THE BIBLOS MUST BE BROUGHT BACK TO THE CHURCH

ゴーン
ゴーン

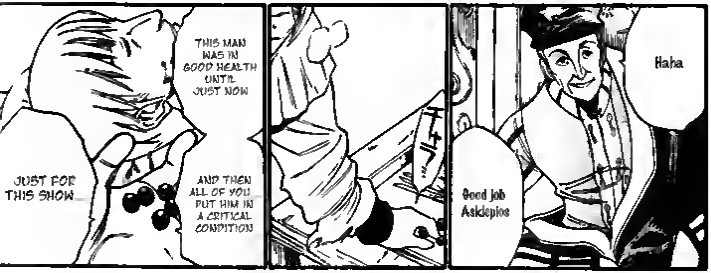
WH-
WHAT'S HAPPEN-ING...?

H- HEY, CAN YOU SEE IT?
HIS HANDS ARE MOVING RIGHT...?
I CAN'T REALLY MAKE IT OUT...
WH-
WHAT SPEED
IT'S IMPOS-SIBLE !!
TH- THAT MAN
HE IS TREATING ALL THE WOUNDS

AT THE SAME TIME...?!!
REMOVING BULLETS IS NOT A SIMPLE TASK IN THE LEAST
.....
CONSIDERABLE SPEED IS REQUIRED TO PREVENT SHOCK DUE TO BLOOD LOSS AND ON TOP OF THAT
THERE'S THE RISK OF DAMAGING NERVES AND VESSELS WHEN REMOVING THE BULLETS
IT'S A SURGERY THAT REQUIRES A LOT OF CONCENTRATION AND DRAINS EVEN THE BEST SURGEONS...
AND YET
HE'S OPERATING ON 3 DIFFERENT WOUNDS WITH SUCH SPEED
TH THE'S ONLY TAKING AS MUCH TIME AS WE WOULD ON !!!
IT'S UNBE- LIEVABLE...!!

THE 1ST BULLET
HAS BEEN SUCCESSFULLY REMOVED...
COULDN'T SAVE PAPE-SAN...
2ND BULLET
SUCCESSFULLY REMOVED
I DON'T EVEN
I LET PAPES IN DIE RIGHT IN FRONT OF ME
WINNAT DO THROUGH THAT AGAIN...!!!
3RD BULLET
A SUCCESS !!
I'M NEVER
GONNA LET ANYONE DIE IN FRONT OF ME AGAIN...!!!

トン!
トン!
H-
HE'S... ALIVE...



THIS MAN WAS IN GOOD HEALTH UNTIL JUST NOW
AND THEN ALL OF YOU PUT HIM IN A CRITICAL CONDITION
JUST FOR THIS SHOW...
Haha
Good job Asklepios

YOU CAN'T TOY WITH PEOPLE'S LIVES LIKE THIS...!!!

I'M SURE OF IT NOW...
So?
.....

THAT MORE THAN THE LOGIC OF THE CHURCH... THE MEDICINE WE MEDILLS HAVE BEEN PRACTICING
IS WHAT'S RIGHT...
AND I'M CERTAINLY NOT A HERETIC...!!!

Shall we bring out the next patient then?
You're still far from convincing me
BUT WE'RE GIVING YOU A CHANCE TO PROVE YOUR WORTH...
NORMALLY WE'D REMOVE THE RANK YOU'VE BEEN GIVEN AND PUT YOU IN JAIL FOR THAT
...ATTEMPTED MURDER OF A SAINT KNIGHT
THE ASKLEPIOS ATTENDANT, TELESFOS... THE BIBLOS IS MOST LIKELY IN THAT ONE'S HAND
BRING IT BACK TO ME IMMEDIATELY
CALIGULA...!!
THE "DARKNESS" MOVES ONCE AGAIN!!
HAHA
LIKE I SAY, IF YOU DON'T FINISH THE JOB YOU END UP REGRETTING IT LATER
